Hi!

You're getting on my nerves!

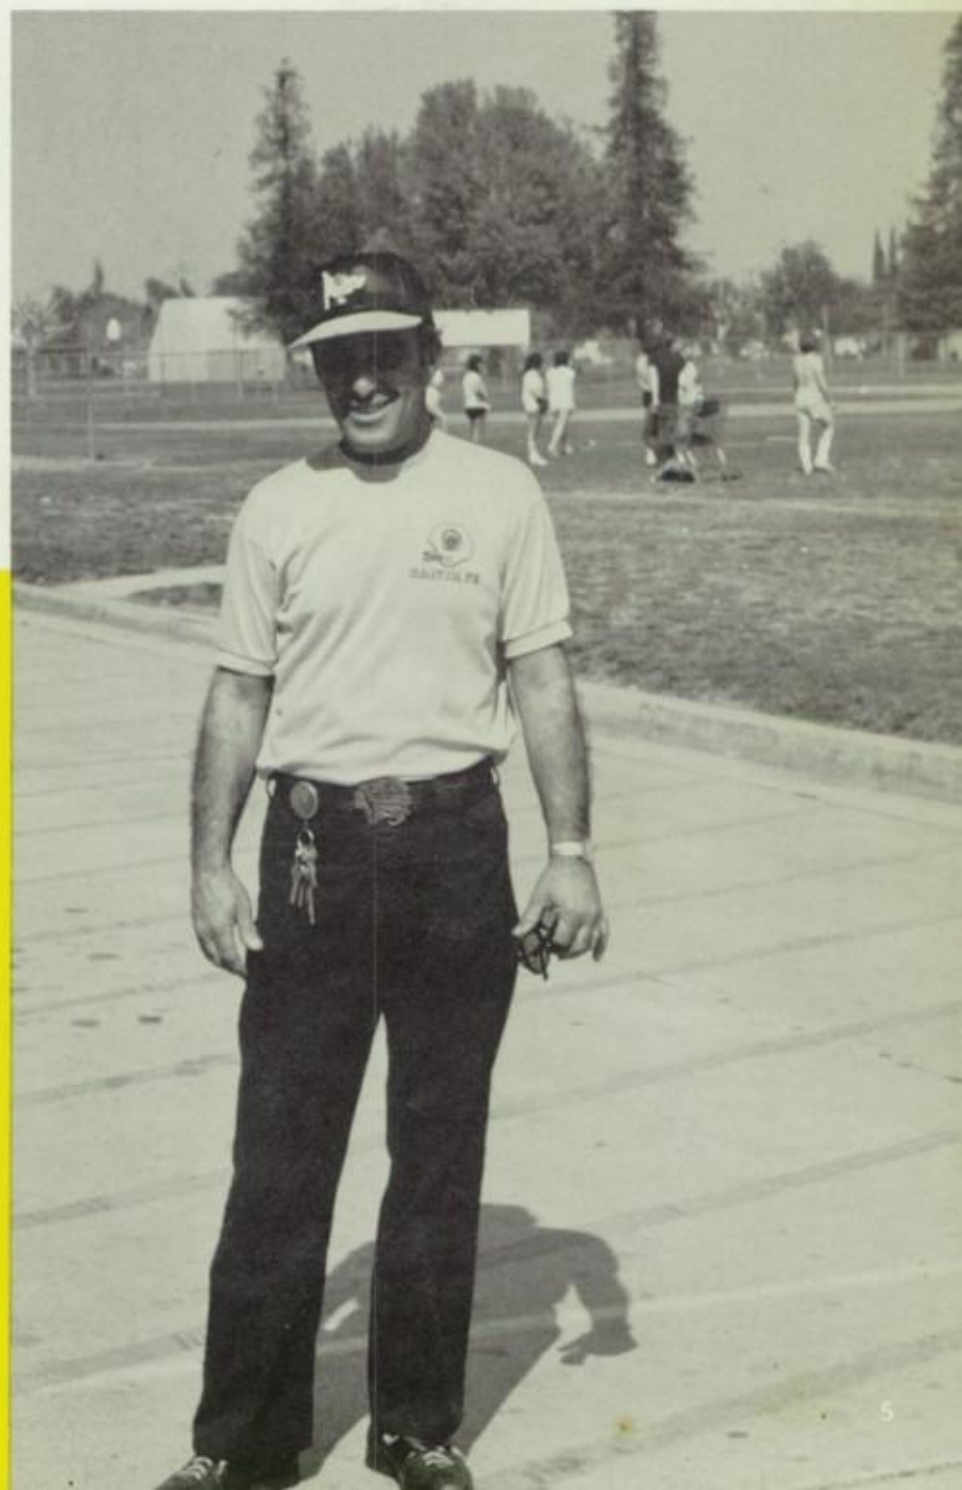

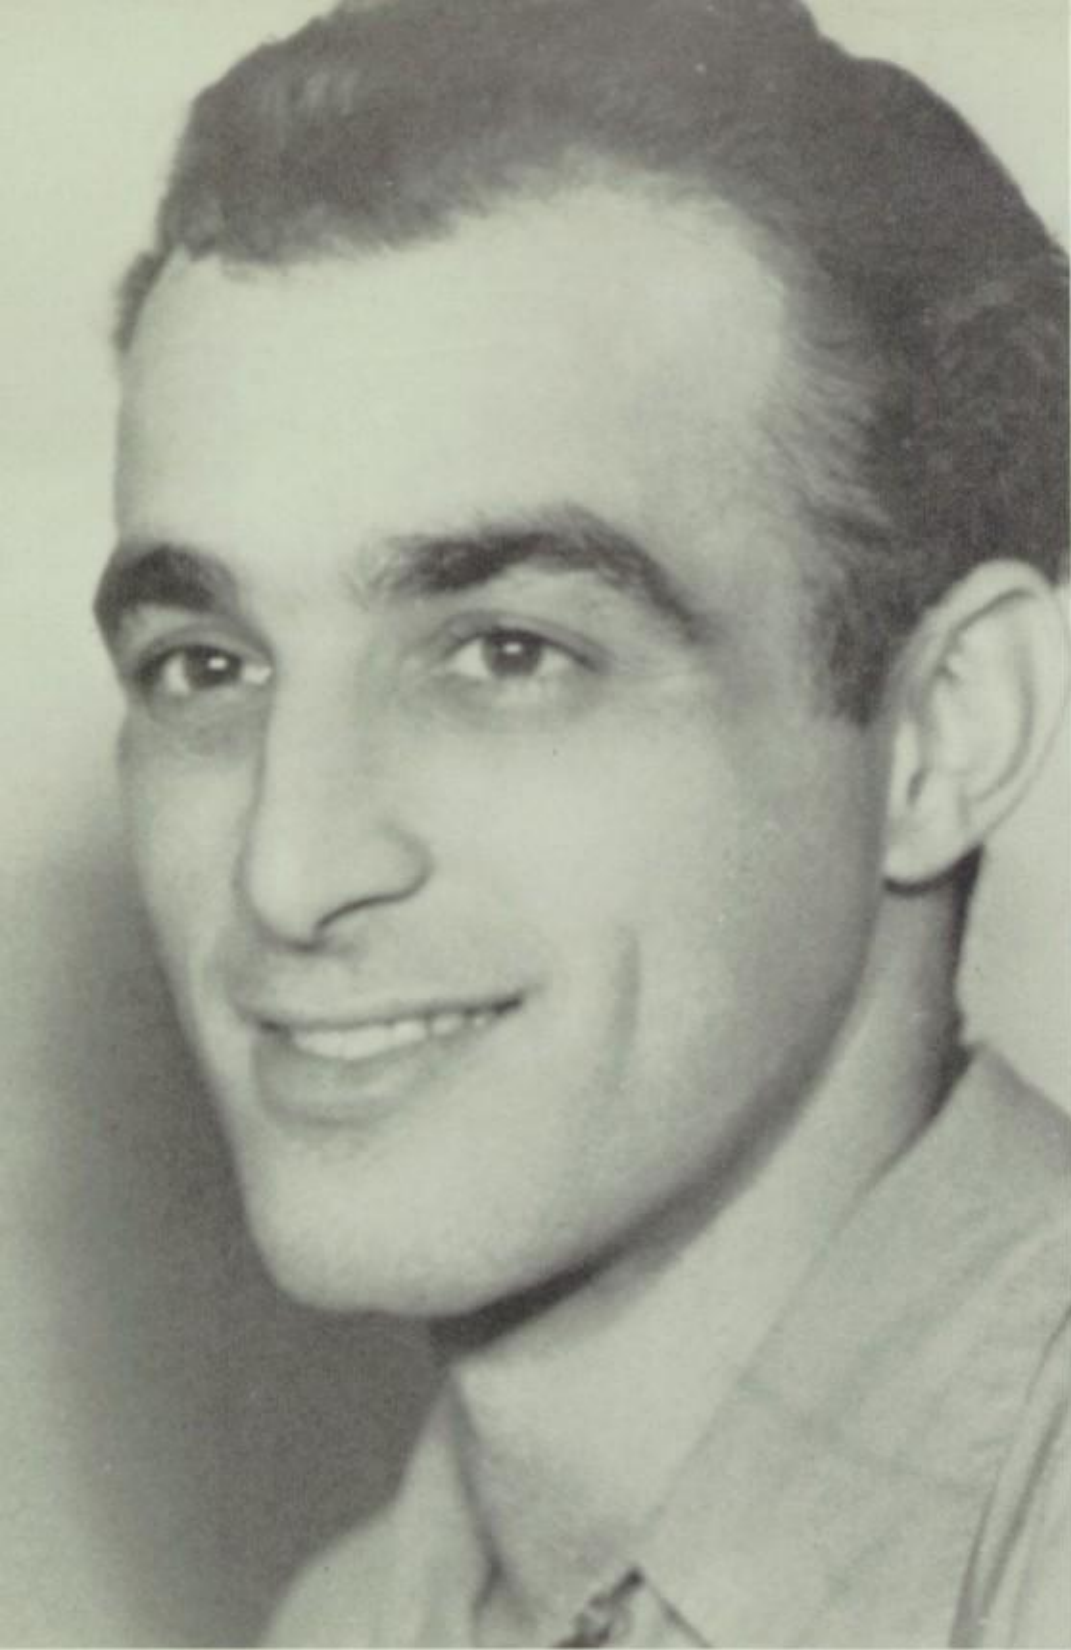

Mr. Santa Fe: To Motivate, To Inspire, And To Encourage Achievement

Mr. Santa Fe is the most descriptive title that could be used in depicting Pete Tuminia's career at Santa Fe. Pete came to Santa Fe in 1972 and soon became an important part of many student's lives. His daily attire of black and gold reflects his devotion and spirit for Santa Fe. He has been a role model to some, a coach to many, and a friend to all.

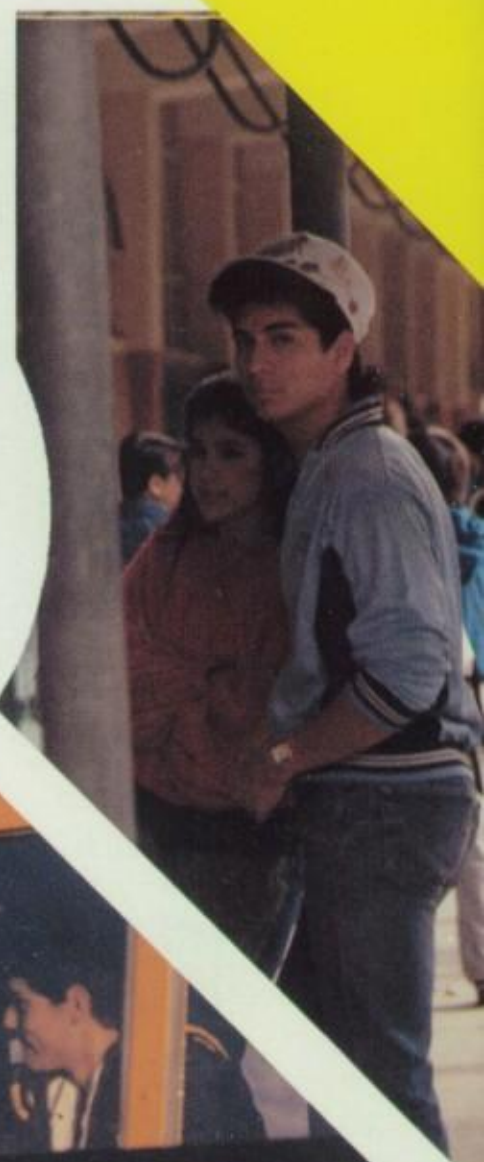

Pete's desire to improve Santa Fe is greatly appreciated by the class of '85 and with this, we dedicate the 1985 legend to Pete Tuminia.

We Love You Pete!

SCHOOL DAYS

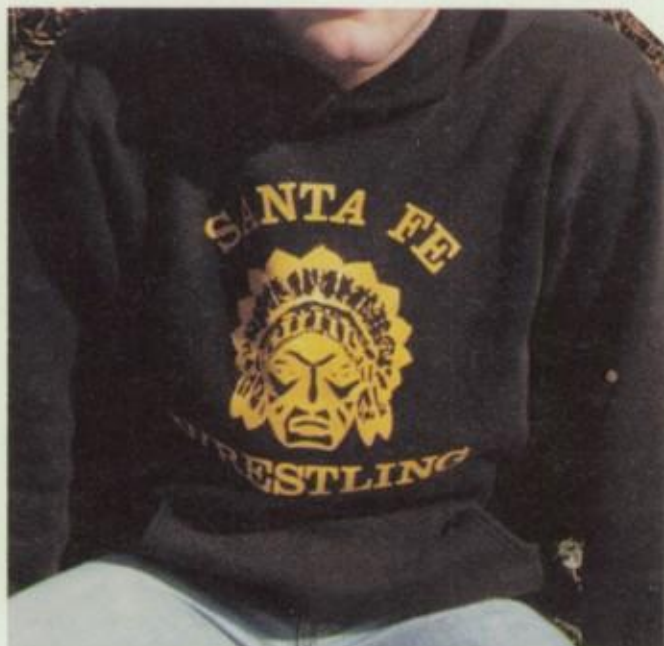

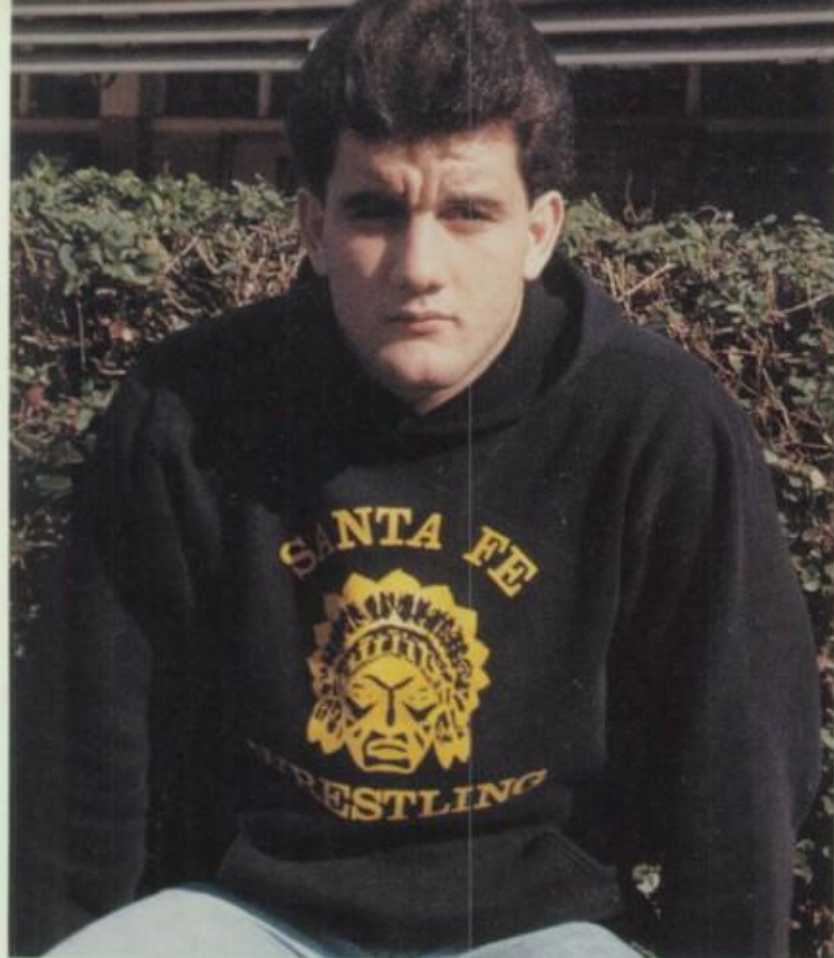

Pondering thoughts, dreaming dreams
 Going to dances, devising schemes
 Planning Parties, taking tests
 Always Remember, Never Forget
 School days, teenage nights
 Getting cars and motor bikes
 Watching T.V., Drive-in shows
 Where has the time gone, no one knows
 Chasing guys and running wild
 Your mom still treats you like a child
 Home by twelve asleep by one
 up in the morning for school by seven
 Graduation comes at last
 We reminisce about the past
 Our highschool days have been the best
 Always Remember, Never Forget

P.S. Mom I still want my car!

I, Sandy Rathbone will to Dorky all the barbeque cornuts his little heart desires. To Porky all the perverted jokes we told in Krupp's. To Moni all the rad patries we had. Especially the Big One. To Chris, Gina & Jackie all the tests we cheated on. I'm going to miss you guys next year. To Russ you're one of the best things to happen to me. I Love You!!!

I, Rick Robinson will never forget all the work, my teachers, and especially all my friends in Santa Fe, but now I have to go through the B.S. of life.

TAKE TIME

Take time to play.
It is the secret to perpetual youth.

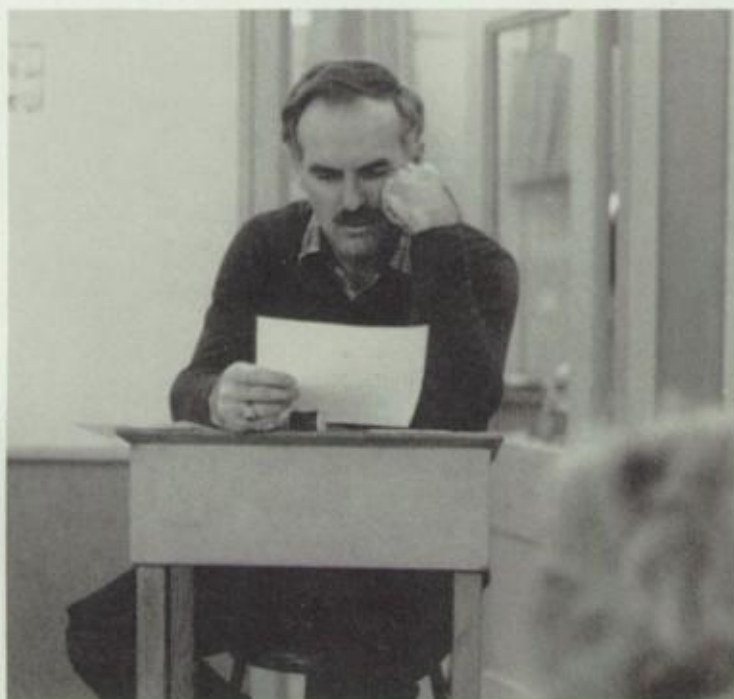

Take time to think.
It is the source of power.

Take time to work.
It is the price of success.

Take time to read.
It is the foundation of wisdom.

Take time to be kind.
It is the road to happiness.

Take time to dream.
It is the love of life.

Take time to look around.
The day is too short to ignore.

Take time to laugh.
It is the music of the soul.

Take time to say "I Love You".
For yesterday is gone and tomorrow may not arrive.

Jason Adams

COULD IT BE A LIFE

It seems he doesn't fit in with all the rest,
he tries his hardest and does his best.
You can see it in his face, the pain that won't end,
he just wants to be accepted he wants a friend.
But that doesn't matter, no one seems to care
they just keep laughing at the way he combs his hair.
You act like a friend on homework-in day,
and later he comes to you but you turn away.
All he wants is to talk, to share a thought,
have someone to care, not someone who's bought.
He sees no way out, there's just nothing to do.
He must end it the pain that's so true.
As he opens the drawer and pulls out a knife,
his tears start falling as the end nears life.
It's the final chapter the last move is done,
as the knife sinks in and heaven and earth are one.

Shane Varnum

ALONE IN A NIGHTMARE

Friendship has a value too high to be known,
except by a person who sits all alone.
Sitting alone wondering what to do
wishing he had a friend like me or you.
Sitting and thinking he begins to cry,
lifting his head he wonders why.
The tears don't stop and all he feels is sad,
he wonders where his share is "the love he's never had."
Why the tears drip as he sits still,
he wonders why he has no friends and if he ever will.
Because with no friends as you can see,
life is a nightmare and will always be.

Shane Varnum

FRIENDS ARE FOREVER

Friends are friends forever
though high school comes to an end.
Yet it's difficult to leave them,
to pass by like the wind.
As long as your care is true
you need not have to cry,
since friends are friends forever
you can never say good-bye.
The memories stick with you
those sweet pictures never fade.

That special bond of friendship
 you spent so long and made
 will build in strength and wisdom
 if you give it all you can.
 Just keep that faithful promise
 and what you share will last,
 as long as you remember
 those words that are so true
 that friends are friends forever
 and I will always love you.

G. C.

A GOOD FRIEND

A good friend is a lasting love
that was given to us from up above.
Without a friend you have no cares,
for a friend will always need you there.
For the friend who said you cared so much,
love is always appreciated a bunch.
To my friend I'll miss you lots,
but I'll always have those special thoughts.
Live with care and take your time,
for your love will remain with mine.

A REAL FRIEND

A real friend is a friend who is always there
 who knows how to love and how to care.
 To show you what is wrong and what is right
 to be there in pain and hold you tight.
 A little hug or just a wink
 can brighten a day in a blink.
 When close together and by one another
 you can feel the friendship shared by each other.
 When you laugh it makes me feel good,
 but when you cry I feel as though I should.
 Because we are friends and will always be
 from the day we met until eternity.

Shane Varnum

GOSSIP

People keep talking they won't let us be.
 People keep watching wondering what they will see.
 Why are they so anxious to know what's going on?
 Why can't they just trust us? What did we do wrong?
 The stories get better with the time that goes by,
 big deal if we're together so I'm a girl and you're a guy.
 Why can't they accept the fact that we're just friends?
 Why must they object and try to make it end?

Is it true what they say? Only you and I know.
 If they're willing to pay, why not put on a show?
 Let's keep them busy. Let's fool around.
 Hug me and kiss me. Don't let them down.
 They think they've discovered our secret affair.
 They think we're lovers, who really cares?

Angela Budnik

A GIFT OF LIFE

You help me take my mind off things
and you helped me love again.
When other things bring me down
on you I can depend.
You make me want to live my life
and see my problems through

When tough times get too rocky
I can always turn to you.
You're always standing near my side
you've never let me down.
You always have an extra smile
to cover up my frown.
Thank you for being there
when I needed a gentle touch.
I love you so dearly
You'll never know how much.

Cyndi Perez

THE FUTURE

Hope for the future
Don't dwell in the past
Live life in the present
And make today last

Pray for tomorrow
Let your life live on
Hope for the future
'Because yesterday's gone!'

Cyndi Perez

HOLD ON

Hold on to your dreams
Don't ever give in
If you keep trying
Your going to win

Hold on to your dreams
Though sometimes its hard
Just hold your head up
and reach for the stars

Hold on to your dreams
Though they seem far away
And those dreams will come true
Somehow, someday!!

Cyndi D. Perez

DEPARTURE

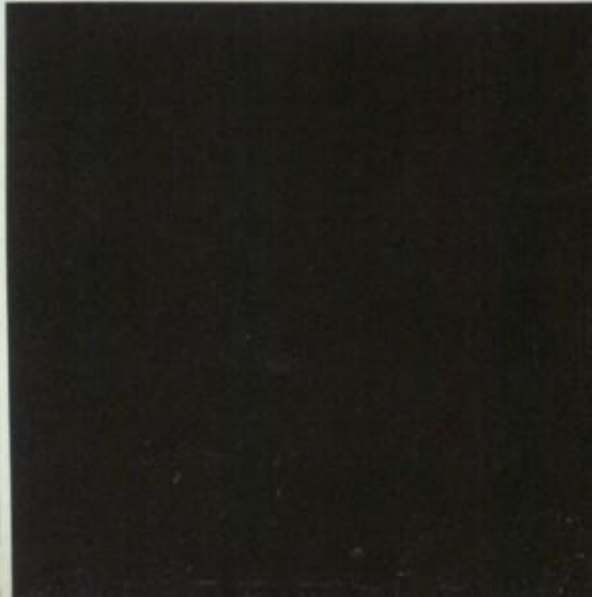

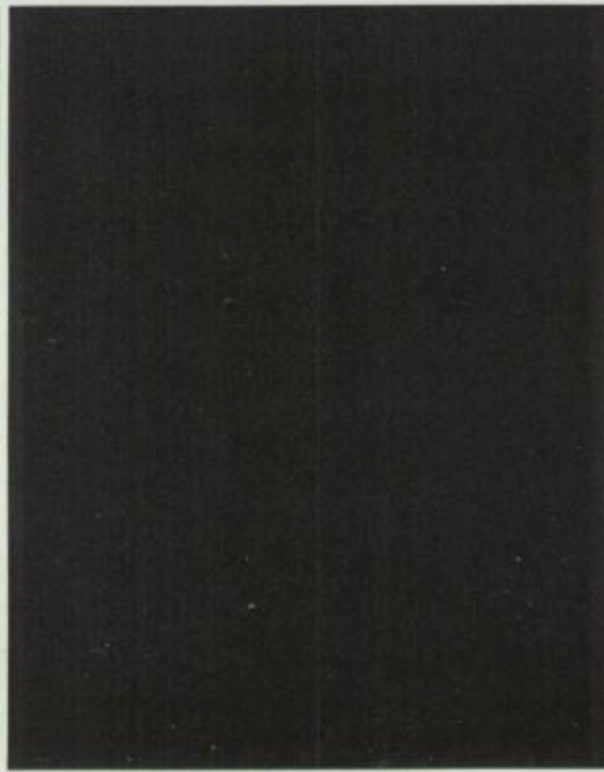

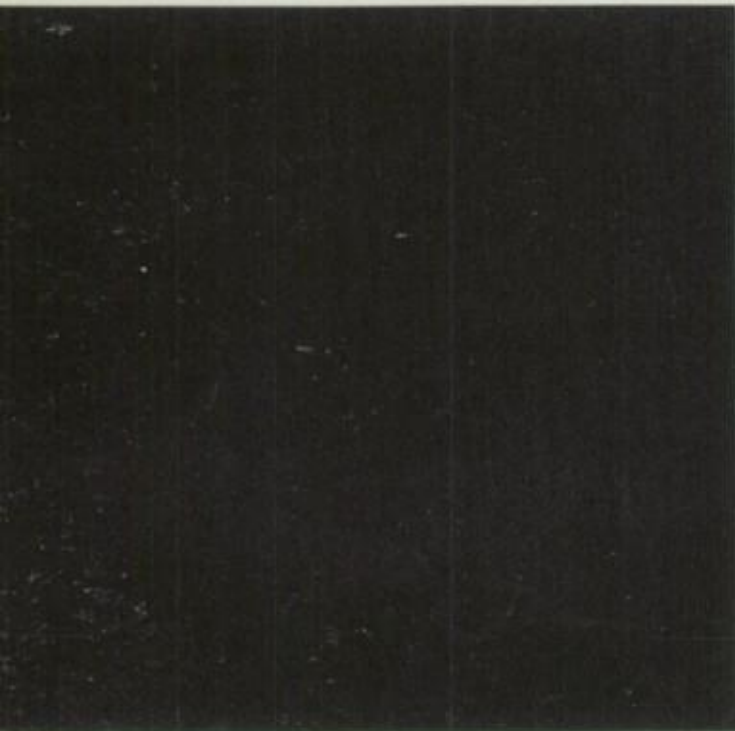

I'm gone, now I'm gone from Santa Fe,
the school I complained about night and day.
The place where I met all my very best friends,
the place where I found out that everything ends.
But if I could turn back the clocks of time,
I'd make long past memories once again mine.
Dear Santa Fe I'm so sorry to say,
that I'll try very hard not to come this way.
For you bring back things I'll never forget,
things I know that I'll never regret.
Dear Santa Fe, though you're not alive,
please never forget my class-85.

Elda Gallegos

GRADUATION DAY

Today we'll start a new life and we'll say our last good-byes
to all the friends we've grown to love, with whom we laughed and cried.
Remembering the fun and laughter, the problems and the fears
and watching all our memories grow throughout our high school years.
The memories of the dances and the new friends that we've met,
vacations, teachers, talking and exams we'd rather forget.
Yes, high school days are precious but brief,
and where all your dreams come true; it is not the end,
but the beginning of a life we'll start anew.

Cyndi Perez

If I speak with the tongues of men and angels, but do not have love, I have become a noisy gong or a clanging cymbal.

And if I have the gift of prophecy and know all mysteries and have all knowledge; and if I have all faith, so to remove mountains, but do not have love, I am nothing.

And if I give all my possessions to feed the poor, and if I deliver my body to be burned, but do not have love, it profits me nothing.

Love is patient, love is kind, and is not jealous; Love does not brag and is not arrogant, does not act unbecomingly; it does not seek its own, is not provoked, does not take into account a wrong suffered.

Does not rejoice in unrighteousness, but rejoices with truth; Bears all things, believes all things, endures all things.

LOVE NEVER FAILS.

Abide in these three, faith, hope, and LOVE; but the greatest of these is

LOVE

1 Corinthians 13

I would hope that in all things we do, we would remember to love. Life without love is nothing. I hope that your dreams, desires, and goals would be obtained.

Thanks for putting up with me, staff.

Good Luck and God Bless,

Love,
Jason

The canned food drive has been one of the highlights of my teaching years at Santa Fe. Each year the students' generosity has surpassed that of the previous classes; however, I feel that it will be difficult for any class to exceed the magnanimity of period three, CLASS OF '85.

Jeanne Allen

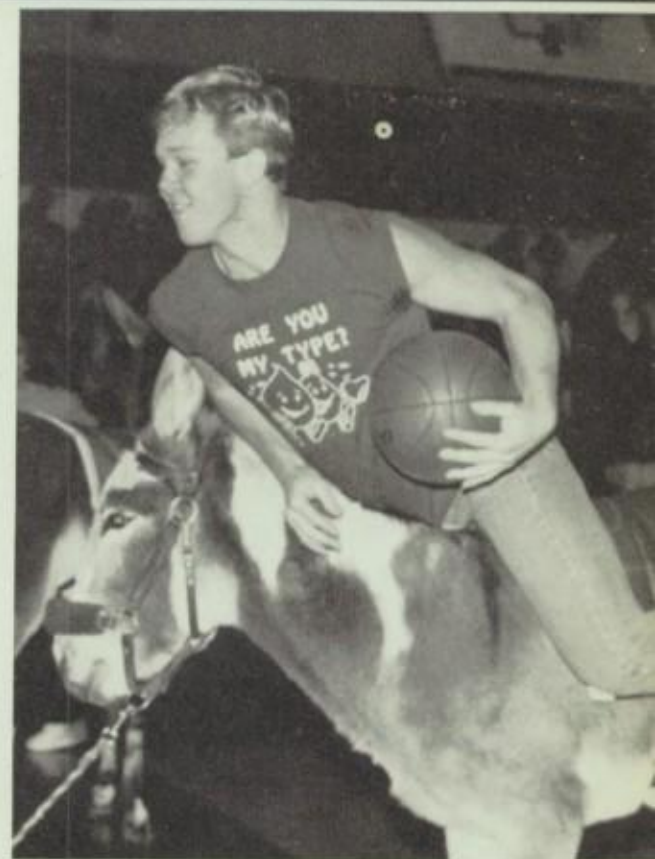

The traditional competition between Mr. Crain and Mrs. Allen created an outstanding student response. The result, an accumulation of over 6000 cans. A crushing defeat to Pioneer High.

MR. DOUG NORDQUIST

The 1984-85 Annual Staff would like to dedicate these pages to Mr. Doug Nordquist for his efforts in the 1984 summer Olympics. Mr. Nordquist has shown his talents as an instructor throughout his three years at Santa Fe. This summer he displayed his overwhelming talents as an Athlete.

Thank you Mr. Nordquist for sharing your experience as an Olympian with us.

AXEL ROGGE

FOREIGN EXCHANGE STUDENT

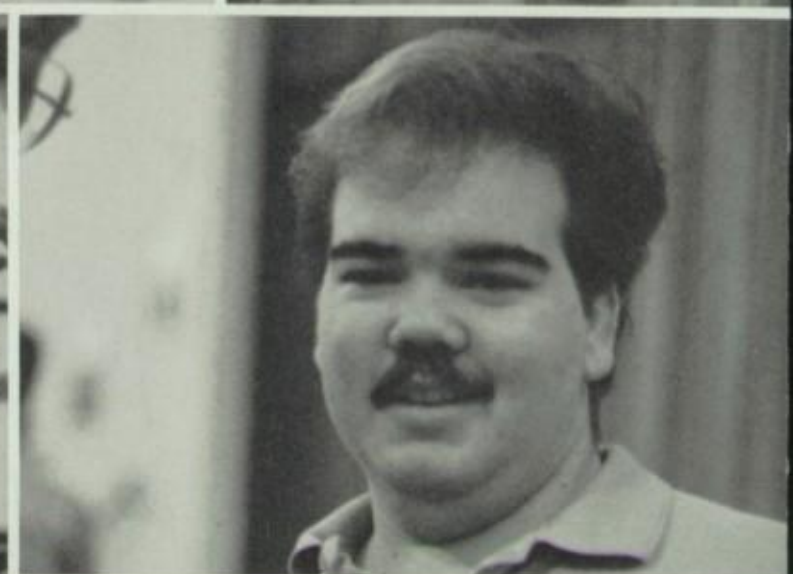

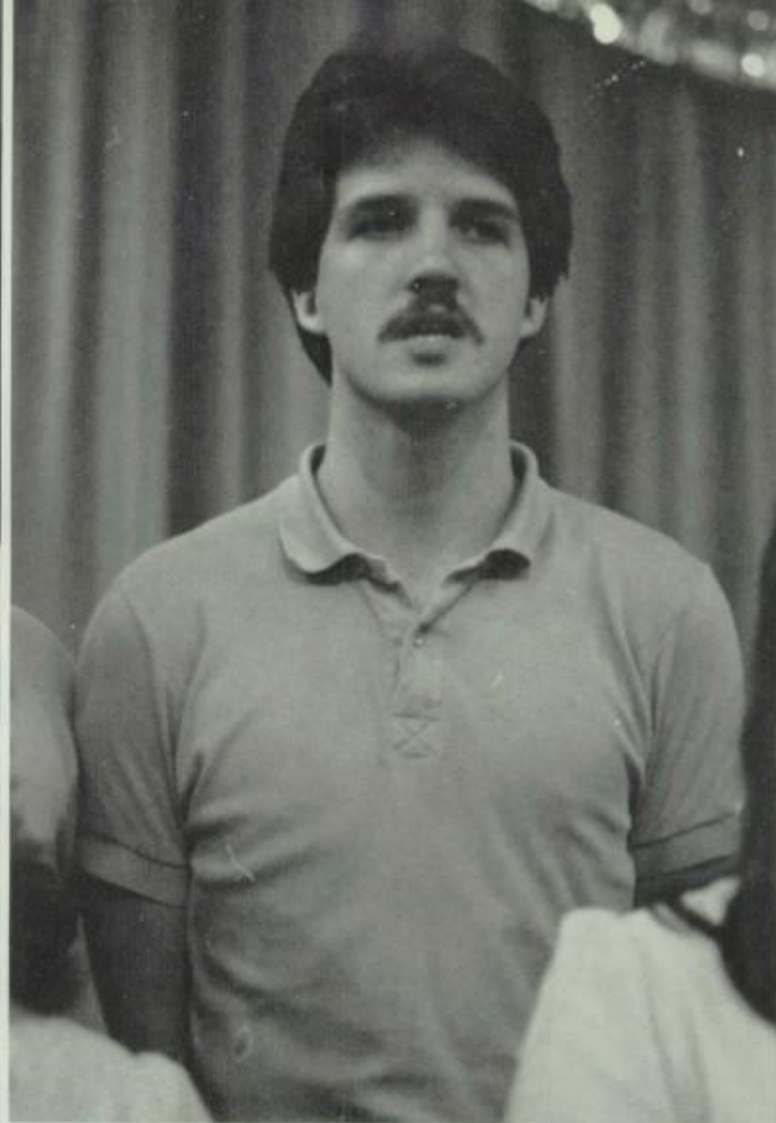

Hi, I'm Axel Rogge. My home Town is close to Hamburg Germany. Here in the U.S., I'm living with senior Gus Velasco and his family. I've liked your school since I've been here. Our schools are different from Santa Fe. Santa Fe has school dances and big sports events. What I really like are the Varsity jackets. In Germany, we have only two sports events a week and six school days instead of five. I like California because of it's beaches and climate. In Germany, our summers barely reach 75 degrees. I also like the fact that you can drive when you are 16. We have to wait until we are 18. This year at Santa Fe, I was on the Cross Country and Swimming teams. I really enjoyed being on your A.S.B. Cabinet. I met alot of new friends throughout this year. Thank you for everything. Of course, I'M PROUD TO BE ONE OF YOU CHIEFS.

Chiefs:

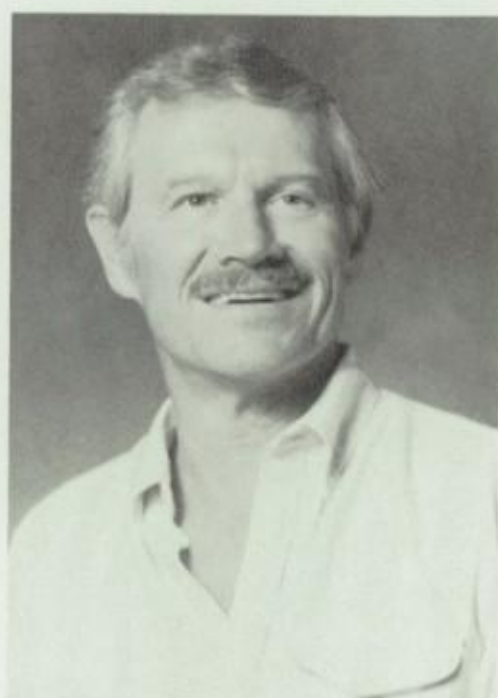

Throughout your years in school, you have been taught a very significant concept: individuals can make a difference in the quality of life for all. During 1985, that concept was not just a textbook idea; individuals at Santa Fe High School improved the quality of life for us all. The senior class and the ASB Cabinet were exceptional individuals. They raised the standards in attendance, scholarship and concern for others — respect and pride described our school because of them. They gave future classes a greater challenge, and a better chance to reach for excellence.

Teaching since 1961 at Santa Fe Mrs. Edna Goodwin, Career Center Director, is retiring. She has been working in the Career Center for 14 years and during this time has assisted many students in choosing a career or getting a job. She has also taught Advanced Shorthand and Secretarial Practice during her years at Santa Fe. After retiring Mrs. Goodwin plans to move to Texas and begin a career in Medical Transcriptions and have her own business. We'd like to thank Mrs. Goodwin for her time, patience, and guidance and wish her a happy and successful future.

After 29 years at Santa Fe Machine Shop and Biology teacher Charles Ramsey is retiring. Mr. Ramsey has four children who attended Santa Fe and graduated. He now feels it's time to move on also. After retiring Mr. Ramsey plans to travel and work on his ranch. He'll miss his colleagues and Santa Fe. We'd like to thank Mr. Ramsey for the knowledge he has passed on to us and would like to wish him a prosperous and fulfilling future. We will miss you Mr. Ramsey!

Twenty-six years after beginning to teach at Santa Fe Mrs. Jeanne Allen is retiring. She has been teaching for a total of 33 years and previously taught in Michigan and Arizona. Mrs. Allen is not only known for her success in the English Department, but is also known for her tremendous success in the annual canned food drives. After retiring she plans to have a leisurely life at home and says that she will miss teaching, and her friends and her students. We thank you Mrs. Allen for being a caring person and a giving teacher. We'll miss you and we wish you great happiness in your future.

SUMMER SUN

I can feel it coming,
The summer sun.
The air is getting warmer,
and the memories are getting
clearer.
Memories of being little.
Of wading in streams
in the black woods forest
and building secret forts.
But this summer sun,
slowly rising higher and higher,
is different now,
because it shines on grown-up
opportunities and college life.
Instead of murky back wood
streams, pink flowers
and carefree laughter.
